Introductory remark of the Chairman:

Chairman of the Management Committee meeting Prof. K.B. Rath, Principal and Vice-Chairman of the Managing Committee, RIE Bhubaneswar welcomed and expressed his thanks to all the members and Special Invitees to be present in the Managing Committee meeting.

Agenda-1: Confirmation of the minutes of the 51st Management Committee meeting & Action taken

After a brief discussion on the minutes of the 51st Managing Committee meeting, the Vice-Chairman invited the members and Special Invitees to offer their comments if any changes are required in the minutes. Since there were no comments or suggestions for change, the Vice-Chairman declared that the minutes were confirmed as circulated.

Prof. K.B. Rath presented the action taken on report as follows:

In the 51st Managing Committee meeting, Prof. Pranati Panda had suggested to bring out innovative lesson plans for Pre-service teachers. As per the suggestion, attempts were made to modify lesson plans. He also informed that institute is trying to implement Choice Base Credit System and as starting point, curriculum of M.Sc. (Life Science) Ed. programme is revised. It was also informed that Multi-cultural programme was modified with necessary changes in the format of lesson plan, observation etc. He discussed about reformulation of 4-year integrated B.A. B.Ed. Programme Curriculum. Institute is in the process of revising 2 Year M.Ed. programme as per NCTE guidelines.

As per suggestion of the 51st Managing Committee meeting, we are organizing grandparents' meeting with class teachers. 50th Managing Committee also suggested for skill development programme and Institute is organizing soft skill development programmes through an initiative known as 'Pshela Kadam'.

To improve the quality of in-service training programme, DEE is planning to develop a module on comprehensive framework for in-service teacher training programme specifying the modality and process. It is also discussed about the need for improving skills such as communication and reflective thinking which are essential to work as reflective practitioner. In continuation of the discussion Prof. S Moharana enquired about the possibility of mapping skills of students so that it would help in introducing new courses in pre-service teacher education programme of the institute as the skill mapping exercise would bring out existing gap among student teachers' skills. In addition to conventional teaching skill development programme he suggested to think about programmes to motivate student teachers to plan lessons using internet resources and ultimately developing student teachers as better humane. In this direction, he suggested for development of thinking skills such as creative thinking among students of the institute. Principal reiterated that skill orientation requires basic foundation and is very important to think about developing these skills with available infra structure. Prof Satapathy mentioned that some of the skills are integrated in the classroom whereas Prof Animesh Mohapatra suggested that Science and Maths Kits prepared by NCERT are to be utilized in this regard. Prof B.N Panda suggested the need for equipping students to think creatively and reflectively and he also mentioned about the significance of developing Pedagogical Content Knowledge (PCK) and Technological Pedagogical Content Knowledge (TPCK) among students.

Confirmation of the minutes of the 52nd Management Committee meeting & Action taken

Prof. Rath presented the action taken against the two suggestions given by 53rd Management Committee i.e. Plan and design programme for improving the functioning of D.M. School and (2) Organize programme for improving mental health of students including yoga and pranayam. In connection to this, it is informed that multiple rounds of meetings were held to analyze the problems and challenges and derived an action plan for bringing changes in various component of schooling in D.M.School. Expert consultation meetings were held including retired teachers and faculty members of the Institute, head teachers and senior teacher of DM Schools of all other RIEs and a collaborative action plan has been designed under the PAC programme. The implementation of the said programme is in progress.

Regarding the second suggestion, Prof. Rath informed that Yoga Classes are being continued for students of D.M. School and initiation has been made for introducing Counselling Cell in the Institute. The Chairperson has suggested to use the term Positive Health and Wellbeing instead of mental health.

Since there were no further comments on the minutes of 53rd Management Committee Meeting, the Chairperson declared that the minutes are confirmed.

Report on activities of RIE, Bhubaneswar

Prof. M.K. Satapathy, Dean of Instructions presented different activities of Regional Institute of Education, Bhubaneswar for the year 2016-17 and role of different Departments i.e. DESM, DE, DESSH, DEE & D.M. School of this Institute. The Institute is actively offering the pre-service programmes like 4-year integrated B.Sc.B.Ed. & B.A.B.Ed., 2-year B.Ed., 2-year M.Ed, 1-year M.Phil in Education, Pre-Ph.D. and DCGC for students from the States and UTs under its jurisdiction. Prof. Satapathy briefed that the D.M. School which is affiliated to CBSE serves as a laboratory school under the administrative control of this institute for carrying out experiments, innovations, and action research in school education.

In-service Training programmes are planned and implemented in consultation with State authorities. The Chairperson inquired about new programmes introduced in the last year. Prof. Satapathy briefed that the Institute has taken up PAC programmes for developing curriculum for three Year integrated B.Ed.-M.Ed & M.Sc. M.Ed. programmes and would be proposed for implementation after NAAC accreditation. The Institute is also organizing Campus Recruitment on request of different CBSE/ICSE affiliated Schools in and around the region. More and more schools are also submitting their willingness for selection of student-teachers through Campus Selection. The Utkal University has got NAAC accreditation Grade-A+. Accordingly, RIE, Bhubaneswar which is affiliated to Utkal University, is going to submit documents for NAAC accreditation.

Prof. P.K.J. Mohapatra inquired about number of regular Ph.D. scholars of the Institute. In this context, Prof. B.N. Panda has informed that 20 scholars working for PhD in Education wherein 4 are full-time research scholars.

Programme proposals of RIE, Bhubaneswar for 2017-18.

Prof. S.K. Dash, Head Department of Extension Education informed that 27 programme proposals were received and they were approved by IAB for the session 2017-18. The Programmes were categorized as follows:

Type of Programmes	New	On-going	Carried over	Total	Budget Proposed
Research	07	--	01	08	25,26,900/-
Development	05	01	--	06	87,82,151/-
Training	04	01	03	08	43,00,825/-
Extension	03	01	01	05	36,05,865/-
Total	19	03	05	27	1,92,15,741/-

During the brief discussion about the above programme proposals, Prof. P.K.J. Mohapatra, IIT Bhubaneswar informed that the agenda items of the Management Committee should be circulated well in advance of the scheduled date of convening the meeting for well version of the members, which has been acknowledged and appreciated by all the members. He has also asked about the number of research papers published by faculty members followed by discussion on quality of research papers in terms of impact factor and citation. Prof Siddiqui inquired about the distribution of programmes to faculty members. It was informed that considering the expertise, time and other control variables, programmes are taken up by the departments. Prof S.K.Dash informed that interdepartmental programmes were also taken up in collaboration. Experienced and newly joined faculty members have proposed programmes together for mutual learning.

Prof. P.K. Chand inquired about Academic and Environment Audit of the Institute. In response, Prof. M.K. Satapathy expressed that, Internal Quality Assurance Cell has been formed in order to improve the academic and administrative performance of the Institute and is in progress.

The Chairman enquired about any substantive programme for capacity building of teachers so that they can motivate back bench students in the Classroom with specific attention to rural Schools. It is informed that research study is proposed to study the schools having zero percentage result. The chairperson elaborated that the reasons for zero percentage could be varied; however it is more important to develop competencies for teachers to optimize learning among the students who sit in the back benches.

In response to the discussion on non-detention policy, Prof Siddiqui expressed that the policy which envisages Minimum Levels of Learning has been misinterpreted during implementation. He appreciated that NCERT books are well-designed for value education.

There was a discussion on e-content development wherein Chairperson reiterated the need for understanding the ground reality. It is also mentioned that in science experiments, along with simulation of the activities, video of live experiments are also to be included.

Dr Chandda Ray informed that remedial teaching is important to uplift the students for minimising their learning difficulties, but implementation is a challenge. With reference to ICT integration, she has expressed that teachers are not well trained to infuse ICT into teaching-learning process.

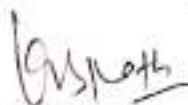

Prof S.K.Dash suggested for adopting the neighbouring schools and was well appreciated by the members. It was followed by discussion on sustainability of such activities along with regular activities of the faculty members. The Chairperson informed about 'Teach for Odisha' programme and suggested for exploring the possibility of replication.

Prof. P.K. Chand inquired about the data base of D.M. School students who enroll for teacher education programmes at RIE after their schooling. It is informed that providing career guidance to D.M. School students may be essential in this regard. He has enquired about student feedback mechanism about quality of teaching-learning process and suggested to introduce robust system of feedback.

Report on the activities of D.M. School – 2016-17.

Mr. A. Mishra, Headmaster of the D.M. School presented different activities of the D.M. School for the year 2016-17. Prof. M.A. Siddiqui enquired about total enrollment of the D.M. School with special reference to enrollment in commerce stream at higher secondary level. H.M informed that the enrollment is increased during the course of time; however the low enrollment may be due to the trend of opting for science subjects than non-science subjects.

At the end of the meeting, Dr. (Mrs.) Dhanya Krishnan, Assistant Professor, Department of Extension Education extended vote of thanks to the Chairperson for chairing the 54th Meeting of the Management Committee in spite of his busy schedule. She also extended vote of thanks to other members, special invitees and administrative staffs for attending the 54th Meeting of the Management Committee.

Welcome to Members of the Management Committee :-

At the outset, Prof. P.C. Agarwal welcomed the Chairperson Prof. S.M. Patnaik, Hon'ble Vice Chancellor, Utkal University, Prof. M.A. Siddiqui, Prof. M. Bhattacharya, Dr. Smadha Mishra by offering flower bouquets and thanked them for sparing their valuable time to attend the meeting in spite of their busy schedule and also welcomed all other members of the committee. Prof. Agarwal requested Hon'ble Vice Chancellor to address the members as Chairperson of the Managing Committee and preside over the meeting as per the agenda. Hon'ble Vice Chancellor expressed his thanks to all the members and invitees and requested for self introduction.

Prof. Agarwal briefed about role of NCERT, which is the apex body for improving school education & teacher education in the country under the advisory body of Govt. of India, Ministry of Human Resource Development for policy making of school education. Since its inception from 1961, NCERT established Institutes like CIET, PSSCIVE, RIEs and NRIE, Shillong. RIE, Bhubaneswar offers both in-service & pre-service teacher education programmes. Under Pre-service programmes, Institute offers 4-Year, B.Sc.B.Ed., B.A. B.Ed. Courses, 2-Year B.Ed. & M.Ed. Courses, 1-Year M.Phil Course, DCGC Course and the institute acts as nodal Center for Ph.D. Course work under Utkal University. Under In-service programmes, the Institute works for educational needs of the Eastern Region of the Country consisting of Bihar, West Bengal, Jharkhand, Odisha and A&N Islands. The Institute also offers pre-service programme for North Eastern Region except B.Ed. Course. The In-service Programmes for Eastern regions are conducted by identifying the needs of the region. This Institute is promoting and formulating educational research, development and training programmes and also extension programmes. For formulating the programmes, the Institute conducts the State Coordination Committee (SCC) Meeting, where educational secretary of the respective states chairs the session. The Principal, RIE, Bhubaneswar and State coordinator of the state along with state authorities assess the educational needs of the state and accordingly the faculty members of RIE, Bhubaneswar formulate the programmes. After SCC meeting, the programmes are modified in the Institute Advisory Board meeting, and again these programmes are placed in the Management Committee Meeting. Then the programmes will be presented in the P.A.C. Meeting of NCERT for approval and financial sanction. This Institute is working as a Nodal Centre for all the centrally sponsored schemes like SSA,

RAISA, RTE, NTSE etc. Other programmes of NCERT are also pursued by the Institute. This year, NSS Women wing has been re-opened in this Institute. The Institute also hosted Inter RIE Students Meet, National Tribal Youth Convention and National Conference on Human Rights Education in the current year.

Confirmation of the Minutes of the 54th Management Committee Meeting & Action Taken :-

Hon'ble Vice Chancellor requested all members for any comments regarding confirmation of the Minutes of the 54th Management Committee. Since there was no further comment on the said minutes, the Chairperson declared that the Minutes of 54th Management Committee is confirmed.

Almost all the faculty members of the Institute have proposed for 29 Need Based Programme Proposals under the categories of Research, Development, Training and Extension. Out of 29 Programme Proposals, 08 are Research, 4 are Development, 13 are Training and 4 Extension Programmes. The total Budget is Rs.2,42,27,021/- The composite statement of programme proposal for 2018-19 is detailed below:

Category of Programmes	No. of Programmes				PAC Budget proposed
	New	On-going	Carried over	Total	
Research	08	--	--	08	49,81,400
Development	02	02	--	04	77,45,181
Training	12	01	--	13	89,29,650
Extension	04	--	--	04	25,70,790
Total:-	26	03	--	29	Rs.2,42,27,021/-

Programme-wise discussion was held in the meeting and the following suggestions were given by the Hon'ble Vice Chancellor and other members in respect of some Programme Proposals.

Prog. No.17:01:- Regarding the said Proposal, Hon'ble Chairman has sought clarification that whether the programme is on the basis of some survey and is with available resources of the Institute or any outside resources are included. Accordingly, the chairman suggested that if the Institute can bring the linkages, then the Institutional health within the Institute will be more vibrant. Young people such as M.Phil students and PhD scholars are to be channelized and involved in research programmes.

Prog. No.17:02 :- Regarding this proposal, Hon'ble Chairman expressed that it is a vital topic even the University is also facing the same now-a-days, when we receive students for higher education. We generally feel that the people who are training at the level of School should not neglect such aspects. A gap exists when students transit from one kind of educational programme to other. There is a greater demand on understanding how the student negotiates with the demands.

Prog. No.17:04 :- Hon'ble Chairman briefed that under such projects the focus is more on the schools, school staff and students. The Programme should be conducted among school students in some selected schools in a district. If we collect the data in school site about coaching centers, then there is a danger of data getting constraints. In a school if the students talk about coaching centers, they will not be frank. If it will be measured why the students are not satisfied with the existing system of educational place given in the Govt. Schools, then should talk more to the students who are going to the coaching institutes also in a school site. Outside the school will be a good site for the purpose. Talk to the students who are coming to the coaching center. It will be better by putting more emphasis on the students going to coaching centers and that should be the suggestion given to the Programme Coordinator. Prof

Siddiqui mentioned that comparison on the perception of students at coaching centre and schools also would be interesting to explore.

Prog. No.17:05 :- It is suggested that sample should include the students who have eligibility to choose Science ,but not availing the option. Their parents also could be part of the study.

Prog. No.17:06 :- Parent as a sample may be categorized with respect to criteria such as kind of job, income etc

Prog. No.17:07 :- The Title should be "Adoption of one primary school to develop as a nodal innovative centre". Chairman suggested to select the schools with diversity and marginality and minority or first generation learners.A visit to be planned for Management Committee members to the selected school.

Prog. No. 17:08 :- Prof. Siddiqui suggested that Pre-test should be conducted for teachers. After imparting training, steps should be taken to find out the effectiveness and constraints. The title may be rewritten as 'effectiveness of training on learning outcomes at elementary stage : An analysis'.

Chairman suggested that link between qualitative and quantitative method are to be organical. A change in time line is required. Shift the field visit from 2nd phase to first phase. Activity No. 2 of Phase I to be shifted to Phase II. Experts could be invited from other states as well.

Prog. No.17:11 :- The budget has to be reduced considering the expenditure of the programme in the last year. A committee under principal can decide the realistic budget for the programme. The estimated budget must be limited to 45 Lakhs instead of 60 Lakhs.

Prog. No.17:13 :- As per request of Prof. Siddique Prof. B.N. Panda informed that in the current year, research programme on the same area was conducted in the state of Odisha. Prof. Siddique suggested that 01 teacher only from 01 Madrassa should be included under the programme and more Madrassas should be getting the benefit. The chairman suggested to include experts such as Prof Siddique in the programme as resource person.

Prog. No.17.15 :- Prof. M.A. Siddique suggested to do follow-up to check whether the KRPs are imparting training to teachers/teacher educators.

Prog. No.17:19 :- Prof. M.A. siddique suggested that full name and designation of the Programme Coordinator must be reflected below the Name.

Prog. No.17:21 :- The members suggested that the budget should be around 5-6 Lakhs instead of 20 Lakhs.

- The programmes which are not mentioned above are accepted without any suggestion.

General Suggestions

- The members reiterated that the suggestion given in the IAB meeting have to be incorporated before presenting to the Management Committee.
- Prof M. Bhattacharya suggested to undertake a programme on analysis of guidelines of NCTE on TET and preparation of model questions.
- There could be follow up activities to understand the effectiveness of the training programmes

Report of the Activities of D.M. School, 2017-18:-

Mr. A. Mishra, Headmaster of the D.M. School presented the activities of the School for the Year 2018-19 and also elaborated on the achievement of students during the previous session. Hon'ble Vice Chancellor sought to observe, what are the feelings in connection with need of the students. Accordingly, Headmaster briefed that there is a Drop Box system for complaints/suggestions of the students. In the previous year, as per need of the students, the School changed the uniform from Standard I to XII. The chairman also suggested that a project may be undertaken about the uniform of the schools keeping in view the need of students in the growing age.

Remarks by the Chairman:-

The Chairman appreciated the significant contribution of RIE, Bhubaneswar in the area of school education and teacher education under the guidance of the Principal of the Institute. The following suggestion were made by the Chairman for improvement of the Institutional activities.

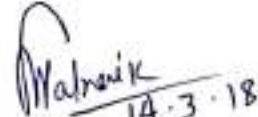

1. Decision about the programmes and preparation of programme proposals have to be based on Expert opinion in addition to state needs based on ground reality
2. Whenever we distribute the resources on the basis of different topics, we should be very sensitive for areas which are not got a greater end like that of North-East and whole area of A&N Islands. Chairman also expected that 2 or 3 more projects in such areas may be undertaken even if it is very difficult. Being a central Govt. Institute, we are improving our skill accordingly the improvement may be made in such areas which are less improved. We should go beyond our comfort zone and pursue programmes in A&N Islands.
3. Appreciation has to be given to both quantitative and qualitative methods. The meaningful combination of the methods has to be given the focus.

Vote of Thanks: -

At the end of the meeting Mrs. Kiran Juneja, Administrative Officer extended vote of thanks to the Chairperson for chairing the 55th Meeting of the Management Committee in spite of his busy schedule. She also extended vote of thanks to other members, special invitees and administrative staffs for attending the 55th Meeting of the Management Committee.

Welcome to Members of the Management Committee: -

At the outset, Prof. P.C. Agarwal, Principal, RIE, Bhubaneswar extended a warm welcome to the Chairperson Prof. S.M. Patnaik, Hon'ble Vice Chancellor of Utkal University; Prof. Gangadhar Sahoo and Prof. Manik Bhattacharya by offering flower bouquets. Prof. Agarwal expressed gratitude to all the external members for sparing their valuable time from their busy schedule so as to make the meeting a grand success. Prof. Agarwal also welcomed all other members of the Committee and requested the Hon'ble Vice-Chancellor to preside over the meeting and to address the members as Chairperson of the Management Committee. Hon'ble Vice Chancellor expressed his thanks to all the members and invitees and requested them to introduce themselves.

Major achievements of the Institute:-

After the introductions, Prof. Agarwal briefed about major achievements of the Institute during the current year. He mentioned the creation of the reading room other than the library, where the students could improve their study habits by using their electronic gadgets like laptops, mobiles etc. He also spoke about organisation of the INDEM in which students from all DM schools of RIEs participated; and also about International Conference on Education from 21st to 23rd February-2020. Prof Agarwal pointed out that the Institute increased its assets by building one New Girls' Hostel which is under construction. Entire campus is being provided with the LED Street Lights facility and widening the major roads in the campus and remaining roads are under renovation for which CPWD has already been assigned the task. The entire campus was severely damaged due to cyclone Fani because of which all students/staffs in the Institute Campus suffered a lot due to electrical interruption, for which the Institute has authorised the CPWD for underground of the electrical cables. Prof. Agarwal, further highlighted about the development of new Educational Resource Room, Raising the NCC Army wings for boys and girls and a gym for boys in the institute. He also mentioned about the construction of vehicle stand, sound proof Modern Conference Room, Multicoloured Dancing Water Fountain in the front of Portico etc.

Under a project sponsored by MHRD, the Institute has adopted the Chilika Block of the Khurda district of Odisha for National Initiative Programmes on Schools and advancement of school teachers. All the faculties of the institute were involved in the study at all the primary and upper primary schools. The Capacity building for five phases in Chilika block is over in which 540 teachers were trained by using ICT based learning, activities on learning and school

based assessment, Art Integrated Learning (AIL) etc. In the 1st phase every teacher was elevated and emphasized on Art Integrated Learning. Onsite support was provided to all the teachers by the faculty members during their regular school visits. In this way the Institute has undertaken 11 Case Studies in 11 clusters of Chilika Block. "Working with Community" programme was organized with 250 pre-service student teachers of the Institute for 7-8 days in different villages of the Block. The student teachers impressed the community by organizing street plays at various places and also carried out some surveys for observation. There was also a multi-cultural placement programme. Nearly 250 other students were placed in the field in groups, at coordinating schools, to have an exposure and interaction with teachers, and to know how the classroom teaching-learning process is going on. One DCGC exhibition was also organized there. All DCGC students participated with assigned responsibility. Many teachers, students and parents of nearby villages visited the exhibition. In school exposure programmes, we provided them some materials, modules as well as kits after procuring many types of kits including science kits from NCERT. Some kits were distributed among them and developed a resource centre, and the same resource centre also carried out one more exhibition there. After briefing about major achievements of the Institute, Prof. Agarwal requested Hon'ble Chairman to continue the Meeting with the agenda items.

Hon'ble Vice Chancellor welcomed all members present at the meeting and offered his thanks for attending the 57th Meeting of Management Committee of the Institute. First of all, the Chairman offered his congratulations towards the innovative ideas and efforts of the Institute with regard to of immediate restoration of the Institute Campus from the huge damage caused due to the cyclone FANI. Further, the Chairman appreciated the institute for organising a good International Conference on Education in 21st Century, in collaboration with UNICEF. With regard to the programme like "Working with Community", the Chairman opinions regarding the community outreach and future activities. He suggested that such type of programmes are always successful so long as our faculty members are there in the field to learn more. He said that unless we build up a strategy for withdrawal of faculty members from the field, this cannot be successful. As such the Chairman requested the team members of the Institute who were assigned with Chilika Block, that the faculty members must strive to make some significant change in the school education through onsite support and proper case study reports.

Hon'ble Vice Chancellor offered his comments about the Programme Proposals of the Institute that these proposals need to be discussed at appropriate level. He also advised all

faculties for peer review of the proposals by calling outside experts. Further he advised that since the projects lead to vibrant publications, there must be review meetings amongst faculty members of this Institute.

Prof. P.C. Agarwal, Principal of the Institute, referred to the minutes of the 56th Meeting of Management Committee. Accordingly, Prof. S.K. Dash, Head, Department of Extension Education of the Institute, briefed about 56th Meeting of Management Committee. Prof. Dash conveyed about 12 suggestions on the 56th Meeting of Management Committee and the 'Action Taken Reports' on the suggestions, which were included in the programme proposals. Accordingly the Minutes of the 56th Meeting of Management Committee was confirmed by the Committee.

The Institute runs in-service teacher education programmes of eastern region states and all pre-service teacher education programmes for eastern and north eastern region states except B.Ed. Programme which is run for eastern region. The Institute offers 4-Year B.Sc. B.Ed. integrated Course from 1964, B.A. B.Ed., 2-Year B.Ed., 2-Year M.Ed., 1-Year M.Phil., DCGC and the Institute is a nodal centre for Ph.D. Course work in Education of Utkal University. D.M. School which is the laboratory school of NCERT is attached to the Institute. The Institute has facilities for education from early childhood to Ph.D. Programmes. In Management Committee Meeting, programmes proposed by the Institute for the year 2022-23 will be discussed. The Institute organizes State Coordination Committee (SCC) Meetings, for all the states of the eastern region. The nominated faculties of this Institute as State Coordinators conduct the SCC meetings under chairpersonship of the Principal Secretary of the concerned States and Principal of the Institute acts as the convener. After receiving requirements from the state, the faculties of this Institute formulate programmes. Those programmes are placed for discussion in the Institute Advisory Board (IAB) Meeting, which has been convened before this Management Committee Meeting. Now the programmes would be reviewed by the Management Committee. After approval of the programmes in the Management Committee (MC), the programmes are placed before the Programme Advisory Committee (PAC) of the NCERT, New Delhi for final approval.

Prof. Agarwal briefed that the Institute has four Departments such as Department of Education (DE), Department Education in Social Science and Humanities (DESSH), Department of Education in Science and Mathematics (DESM) & Department of Extension Education (DEE). The Institute as a nodal center of NCERT undertakes research, training, development and extension activities in the area of school education and teacher education. He emphasized about various programmes like extension lecture series and expression series, theme based conferences which have been organized in this year. During the session, a national conference on NEP 2020: Towards Transforming Teacher Education was organized from 24th to 26th February-2022. On 2nd & 3rd March-2022 a two-day workshop on character building and holistic development was organized for all the student teachers of the Institute. In Chilka Block of Odisha, the Institute has been implementing the interventions of NCERT by adopting all the elementary schools of the Block. During the present year infrastructures like conference halls, badminton court, learning resource center, canteen have been developed. Around two hundred fifty-five student teachers of

final year are placed at present at Chilka Block for the working with community programme. One of the students of the Institute has been selected for National Republic Day Parade in NCC. Prof. Agarwal sought before the Committee that if any suggestion for improvement of the Institute, may be proposed by the experts and requested I/c. Head, Department of Extension Education to proceed with the agenda items of the meeting.

TOTAL:-	27	3,18,44,261/-

As per programme-wise discussions made in the meeting, the following suggestions were given by the Respected Members of the Committee against Proposals of 2022-23:-

No.24.01:- Learning Gaps, Challenges and Innovations in Primary Education During Covid in Odisha

It was suggested that the title should be Learning gaps, Challenges and innovations in Primary Education during Covid Period.

The title is reframed adding Covid Period as per suggestions.

24.02:- A study on the Evaluation of Educational Resource Center for its effective use among Pre-service and In-service Teachers

Prof. S.C. Dash wanted to know about the type of resources the study is focusing.

Prof. P.C. Agarwal highlighted that NEP-2020 is suggesting for continuous professional development of in-service teachers and emphasizes necessity of teaching-learning resource centre. The institute has developed (i) Learning Resource Centre (ii) Herbal Garden having around 400 herbal species and (iii) Educational theme park.

Prof. S.K. Dash emphasized that in-service teachers used to visit these centers during capacity building programmes. The center is useful for both pre-service and in-service teachers.

One of the members suggested that the title of the programme need to be reframed by deleting "On the Evaluation".

The title is reframed as per suggestion.

24.04:- Foundational Literacy Skills at Elementary Level in Bihar: A study

Prof. S.C. Dash discussed about the time line of the programme and possibility of extending the programme to other states of the region.

Prof. L. Behera expressed that the timeline for completion of the programmes is from 1st April 2022 to 31st March 2023. During the meeting of Institute Advisory Board(IAB) the suggestion was to limit the study to one state taking into account the language diversities at foundational stage in the states of eastern region. The possibility of extending the programme to other states will be explored.

24.06:-Identification and Implementation of socio-cultural practices in the schools of Jharkhand

Prof. S.C. Dash wanted to know about the targeted group of the programme i.e. primary school, elementary school or secondary school.

Prof. Sabita Achaya, Chairperson of the Committee suggested that the programme as per the NEP-2020 needs to emphasize on Multi Lingual Education (MLE)

Prof. L. Behera said that, one specific programme (24.25) is proposed on multi lingual education.

24.07:-Analysis of Geometrical Pattern used in the Historical Monuments of Odisha and its Implications in Teaching Learning Process of Geometry at Elementary Stage

Prof. S.C. Dash, Prof. S.P. Mishra and HM, DMS suggested to drop the programme, as it has no direct implications on teaching learning process at elementary stage.

The house decided to drop the Programme since the proposal is not directly relevant for school education.

24.08:-Awareness and Perception of Stakeholders on Implementation of 10 Bag Less Days in Odisha

Mr. A. Mishra wanted to know whether the programme is research or development programme.

Prof. B.N. Panda briefed that this programme is to cater the educational need of the State of Odisha and the programme is to suggest modalities for 10 bag less days and in the next stage the developmental part could be carried out.

24.09:-Development and Production of E resources for the School Curriculum and Teacher Education Curriculum

As per request of the Chairperson, all the members introduced themselves to the Board and the meeting was carried on.

Prof. P.C. Agarwal, Principal & Chairman of the Board started the proceedings and briefed that RIE, Bhubaneswar was set up in August, 1963 to cater the educational needs of eastern and north-east regions of the country for both pre-service and in-service teacher education programmes. The motive of the Institute is to be centre of excellence in teacher education. The Institute runs various programmes like 4-Year Integrated B.Sc. B.Ed., 4-Year Integrated B.A. B.Ed., 2-Year B.Ed., 2-Year M.Ed., M.Phil. in Education and Diploma Course in Guidance and Counselling (DCGC). The Institute works as a nodal centre for Ph.D. Course Work in Education of affiliating Utkal University. The institute has DM School, the laboratory school in the campus. The Institute is affiliated with Utkal University (NAAC-A++). Thus the institute has facilities for education from pre-school to Ph.D

Prof. P.C. Agarwal briefed that before conducting the Meeting of IAB every year, the Institute conducts State Coordination Committee (SCC) Meetings. The faculty member of the Institute selected as State Coordinators for respective states visit states of eastern region to assess their educational needs. Respective Secretary of the states or Principal Secretary of the State Education Departments chairs the SCC meeting and Principal of the Institute acts as a member secretary and state coordinator from this Institute also joins the meeting. Discussion is made in the SCC Meetings with respective state educational authorities so as to identify the educational needs of the states and accordingly the faculty members of this Institute formulate programmes. During the session, the Institute conducted online meeting of State Coordination Committee for Odisha and Jharkhand, while offline meeting was conducted for Bihar. The SCC meeting for West Bengal could not be held. The U.T. authorities of Andaman & Nicobar suggested certain programmes. As per the suggestions in the SCC Meetings, the Institute formulates programme proposals. In this Institute Advisory Board, discussion is to be made about line of action of these programmes and how the Institute will move in the next year for both In-service & Pre-service teacher education programmes. After this IAB Meeting, Management Committee Meeting is to be conducted under Chairpersonship of Vice Chancellor, Utkal University. Then again these programmes are to be discussed and the programmes finalized by Management Committee are to be presented before the Programme Advisory Committee (PAC) of NCERT. In the PAC Meeting these programmes would be discussed and finalized. Likewise, the Institute is supporting the eastern region states of Bihar, Jharkhand, West Bengal, Odisha and Union Territory of Andaman & Nicobar Islands. As large scale capacity building programme under NISHTHA have been implemented, themes and areas covered may not be considered. The research, development, training and extension Programmes, are to be conducted taking into consideration of the recommendations of the NEP-2020. Prof. Agarwal invited the Head, DEE for presenting the action taken against the suggestions made by the Hon'ble members in the 19th IAB meeting.

Prof. L. Behera, Head, DEE briefed about the suggestions made by the members in the 19th meeting of the IAB and action taken by the Institute. He requested to all the members to look at the minutes of the 19th IAB Meeting and requested to suggest/observe for specific changes in the minutes if any. Since there were no remarks/observation made by any members, Prof. L. Behera requested to the Chairman to approve the minutes of the last meeting and the same was approved.

Prof. L. Behera, presented the progress of the Programmes of the current Session 2021-22. He briefed about the progress of 29 programmes approved for the year 2021-22 and requested the Board for any suggestion/observation regarding progress of the programmes for the year 2021-22.

Prof. Gouri Srivastava, Dean (Coordinator), NCERT congratulated the Principal and members for the commendable work done by RIE, Bhubaneswar. She requested to share the soft copies of the programmes/ e content conducted under Azadi ka Amrit Mahostav i.e. in the area of contribution of freedom fighters in freedom struggle.

Prof. L. Behera, briefed about the Programme Proposals for the year 2022-23 that the Institute received 25 Programme Proposals. Out of the 25 Programmes, 14 are new Programmes, 11 Regular Programmes.

Prof. Kshiti Bhusan Das, Vice Chancellor, Central University, Ranchi appreciated the programme proposals. He suggested that the outcome of the programmes need to reach the schools and teacher education institutions of the region. More collaboration with other institutions need to be encouraged.

Prof. L. Behera presented the New Programme Proposals of 2022-23 one by one. The members were requested to provide their comments and suggestions for improvement of the programme.

24.01 STUDY OF USEFULNESS OF LEARNING RESOURCES OF THE EDUCATIONAL RESOURCE CENTER IN PRE-SERVICE AND IN-SERVICE TEACHER EDUCATION

Prof. Sudhakar Panda, opined that, it is a better idea to separate out the development and research part. The programme proposal needs to clearly reflect the research components.

Dr. Asitha Raveendran suggested to revise the objectives and methodology to make it more focussed.

Prof. Shashi Prbha welcomed all members and congratulated RIE, Bhubaneswar for wonderful efforts made by RIE, Bhubaneswar under dynamic leadership of Prof. P.C. Agarwal.

Prof. M.K. Satapathy suggested to re-orient the title of the programme to make it very specific as "Evaluation of Learning Resource Materials available or installed in Educational Resource Centres in terms of their effectiveness in teaching and learning for pre-service and in-service school teachers.

Prof. S.K. Dash, Coordinator of the Programme while replying to the observations said that, the programme was under development for last year. The proposed research intends to study the effectiveness. So far as objectives of the programme are concerned, modification will be made for these objectives and methodology part.

24.02 LEARNING GAPS, INNOVATIONS AND CHALLENGES IN PRIMARY EDUCATION DURING COVID-19

Prof. Sudhakar Panda wanted to know whether the study intends to explore the rural as well as urban schools. He suggested that different types of schools may be included to make it more comprehensive.

Prof. K.B. Das suggested to include the recent findings of organizations like Pratham in the study perspective.

Prof. P.C. Agarwal suggested that similar study was conducted by CIET during the last session.

Dr. Asitha Raveendran suggested to prepare the proposal as per the latest format.

Prof. R.K. Mahalik while replying to the suggestions said that the coverage of different types of state government schools will be covered from rural as well as urban areas.

24.03 A STUDY ON DIET CRC LINKAGE INITIATIVES IN THE STATE OF ODISHA

Prof K.B. Das wanted to know the areas of DIET CRC Linkage initiatives. He appreciated the programme for quality improvement of teacher education. The efficacy of the programme needs to be explored.

Dr. Dhanya Krishnan, the programme coordinator said that the initiative has been started by the TE & SCERT Odisha where the faculty of DIETs provide onsite support to CRC on different areas for their capacity building for enhancing learning outcomes.

24.04 FOUNDATIONAL LITERACY SKILLS OF STUDENTS AT ELEMETRAY LEVEL

It was suggested that the programme may focus on one state rather than covering the entire eastern region. The NEP 2020 focuses on foundational literacy i.e. mother tongue /home language. Therefore, rather than focusing English, Hindi needs to be covered in the study.

24.05 CHALLENGES OF TEACHING TRIBAL LANGUAGESIN SCHOOL LEVEL IN JHARKHAND

24.06 SOCIO CULTURAL DIVERSITY OF JHARKHAND AND ITS INCLUSION IN SCHOOL EDUCATION

Prof K.B. Das suggested that the study is proposed in one of the emerging areas. There is a Department of Tribal Studies in Central University of Jharkhand. The University will be happy to have collaboration with RIE for better research outcomes.

Prof. H.K. Senapaty suggested to make the focus of the study i.e. implications of diverse cultural set up and strengths of culture for curriculum, pedagogy and assessment.

Prof. B.N. Panda suggested to club both 24.05 and 24.06 to make one programme proposal.

Dr. Kalinga Ketaki replying to the observations said that the proposal will be revised as per the suggestions.

24.07 INTEGRATION OF INDEGENOUS KNOWLEDGE IN TEACHING LEARNING PROCESS OF GEOMETRY THROGH ANALYSIS OF GEOMETRICAL PATTERNS OF SELECTED HISTORICAL MONUMNETS OF ODISHA

Prof Sudhakar Panda suggested that the research is more related to architecture. The resource persons may be included from History and Architecture.

Mr.Akhileswar Mishra wanted to know the relevance to study at secondary level as the geometrical patterns are the curricular content at lower level.

Prof. S.K. Dash suggested to change the objectives linking to upper primary mathematics.

Prof. Gouri Srivastava suggested to revise the title starting with “Analysis”.

Mr. Arup Kumar Saha said that the proposal will be modified according to the suggestions received.

24.08 DEVELOPMNET OF RESOURCE MATERIAL FOR IMPLEMENTATION OF BAGLESS DAYS FOR ELEMENTARY SCHOOLS

24.09 DEVELOPMENT OF RESOURCE MATERIAL FOR IMPLEMENTATION OF BAGLESS DAYS FOR SECONDARY SCHOOLS

The title reflects Development in both Programme (24.08 and 24.09). It was suggested to club both the programmes and revise the objectives and methodology in consultation with Dean of Research of the institute.

It was suggested that PSSCIVE has prepared materials Bag less days. Collaboration with the PSSICIVE, Bhopal could be ensured for better outcome of the programme.

24.10 DEVELOPMENT AND PRODUCTION OF E RESOURCES FOR THE SCHOOL CURRICULUM AND TEACHER EDUCATION CURRIUCLUM

There was a comment about the rationale of proposing more number of project staff as compared to previous year.

Prof. S.P. Mishra replying to the comment said that considering increasing numbers of programmes to be developed for e resources and other related programmes more project staffs are required.

20. Dr. (Mrs.) P.L. Negi, Librarian, RIE, Bhubaneswar.
21. Mr. A.K. Saha, DESM, RIE, Bhubaneswar.

At the outset, the Chairperson Prof. P.C. Agarwal welcomed all the members and extended his heartiest thanks to the external members- Prof. Sridhar Srivastava, Head, PMD, NCERT, New Delhi and Prof. K.C. Sahoo, Biswa Bharati University, Shanti Niketan, West Bengal for attending the 18th Institute Advisory Board meeting at RIE, Bhubaneswar. All the members introduced themselves and the meeting was conducted as per the Agenda Items. Then Prof. Agarwal briefed about the role and functions of the Institute.

Prof. Agarwal emphasised about the Programme Proposals for the Year 2020-21 under the area of Research, Development, Training and Extension in which 06 programmes were Research and 07 programmes each under Development, Training and Extension. Also Prof. Agarwal highlighted about 01 ongoing Research Programme entitled “Implementation of NCERT Interventions at School Stage: A Block Level Research Project”. RIE, Bhubaneswar adopted the Chilika Block for educational development of all Govt. Schools at primary and upper primary levels. Prof. Agarwal mentioned that RIE, Bhubaneswar conducted base line

achievement survey in Chilika Block and administered the activities as per the PAC programme. The Institute also organized five capacity building programmes in the Block in which each and every faculty member of the Institute are associated. The faculties are also visiting regularly different schools in the Block once in a week in order to undertake the case study report.

Prof. Agarwal also mentioned about status of State Coordination Committee with Bihar, Jharkhand, Odisha and A&N Islands except West Bengal. Even after his personal visit to the Director of West Bengal, SCERT, SCC meeting of West Bengal was not held due to some unavoidable reasons of the state. In the SCC meetings of Odisha, Bihar, Jharkhand and A&N Islands need based programmes on school education were discussed and programme proposals were proposed by respective state authorities. Accordingly, the proposals were designed by the faculty members of RIE through collaborative approach and were presented before IAB meeting.

Prof. S.K. Dash, Head Department of Extension Education of the Institute briefed about the action taken report against the suggestions made by the Hon'ble Members of the 17th IAB meeting. Thereafter, the proceedings of the 17th IAB meeting was approved by the Hon'ble Members and Chairperson of the IAB.

Prof. S.K. Dash, briefed about the progress of the PAC Programmes for the year 2019-20. During the discussion, Prof. B.N. Panda informed about the progress and non-joining of the JPF in his PAC Programme 17.01, which was viewed by Prof. Sridhar Srivastava. Further, Prof. Srivastava enquired about the joining of the JPFs under progress of each project.

During the discussion of the Progress of the Programme 17.03, Prof. Srivastava suggested that, if the JPF under any project has joined w.e.f. the beginning of the Project, the Data Collection of the said Programme should be completed before the IAB Meeting and during the year 2020-21 this aspect should have been followed carefully. Further, Prof. Srivastava suggested that once activities of PAC programmes are started, its outcomes must have been taken.

Prof. K.C. Sahoo while discussing on the Programme-17.01 suggested that in the Progress of the Programme it should be written as "Programme has been developed, Draft has been prepared instead of Programme Guide has been prepared".

Prof. K.C. Sahoo enquired about the gap between the allocated and expenditure Budget of some programmes. As per clarification submitted by the APC (Extension), some expenditures already incurred were pending at the end of Accounts Section for payment through RTGS.

Thereafter, the Programme Proposals for the year 2020-21 were briefly discussed in detail by the IAB Members and suggestions were given for merging of impact study research proposals in Mathematics and Physics at higher secondary stage in Bihar as one programme. The development of audio-video programme of NCERT textbook for Jharkhand at secondary level was dropped. Further, the programme entitled "A Study of Bengalis as First Language in

Class- V in West Bengal: An Analysis” was dropped as the proposal was not submitted through SCC meeting. Prof. S.K. Dash, presented a proposal entitled Development of Learning Resource Centre for in-service & pre-service teacher education programme in the Institute. All the members of IAB agreed to implement such programme in RIE, Bhubaneswar. Chairman suggested that the estimated budget of each programme should be realistic one and maintain uniformity. And also suggested to all the programme coordinators to check/modify the specific objectives, methodology of all proposals in their respective departments.

The meeting was concluded with a vote of thanks by Prof. B.N. Panda, Dean of Reseach of the Instittute to the Chairperson and all other Members. Prof. Panda extended his special thanks to Prof. Sridhar Srivastava & Prof. K.C. Sahoo for making the IAB meeting more meaningful.
