## **PREFACE**

Regional Institute of Education, Bhubaneswar has been organising Expression Series Programme since the last few years. In order to provide a platform to students both from the Institute as well as from the D.M School to creatively express their ideas/ views on various themes relating to our social, cultural, political, environmental issues of the past and the present, the Expression series programmes are being organised in the Institute. This not only enables students to think innovatively, but it helps them in gaining broad, multifaceted knowledge cutting across several disciplines outside the learner's normal academic subjects. It helps in increasing learner's confidence, poise, and self esteem. The programme is an engaging, active, learner-centered activity with the help of which higher-order and critical thinking skills of the students can be developed. This year, a total of 6 Expression series programmes have been organised by the Institute to celebrate the significant days of the nation.

For the successful completion of the Programme I record my gratitude to the Principal, Prof. P.C. Agarwal for his unstinted support and guidance. I express my gratitude as well to the Head, Department of Extension Education, Prof. S.K Dash and Dr. Kalinga Ketaki, Asst.
