Diploma Programme in Science Education at Secondary Level (2022-23)

Science Education is closely related to the dynamic variation of curricular framework of School Education. Changes in teaching- learning strategies of science are so rapid that it is imperative to design short term programmes keeping in pace with all such requirements to accommodate the new realities. This is in conformity with the National Education Policy – 2020 (NEP-2020), which states that, “Teachers will be given continuous opportunities for self- improvement and to learn the latest innovations and advances in their professions”.

In this context, RIE, Bhubaneswar, Odisha is offering a **Diploma Programme in Science Education at Secondary Level**. The programme duration is from June, 2022 to March, 2023, with an unique blend of distance and contact mode. It is open to in-service science teachers, aspiring science teachers and science teacher educators from the Eastern region (A&N Islands, Bihar, Jharkhand, Odisha and West Bengal). Medium of instruction will be English.

Applications are invited for admission to the programme from the eligible candidates.
