

NOTICE

No. 454
Date: 19-08-2024

All the students of the institute and 6th-12th grade i.e. middle and secondary stage of DM school are requested to participate for **Hackathon titled as "National Level Eco Creativity and Innovation Hackathon" at the earliest. Registrations are open now and last date of idea submission is on 15-09-2024.** The Hackathon has been designed and launched by Pi Jam Foundation and supported by Ministry of Environment, Forests & Climate Change, through its Environment Education Programme (EEP).

The registrations for the same can be done by scanning the QR Code available on the website: Environment Education Programme (eepmoefcc.nic.in). The Video link (<https://www.youtube.com/watch?v=8EoCEvtyuvU>), can be opened for more information about the Hackathon. At the end of the Hackathon, **the top 100 performers will get the chance to showcase their creativity/innovation at a national level event that will be held in Delhi by the Ministry of Environment, Forest & Climate Change.**

This issues with the approval of the principal
