### **Admission Brief**

#### **Diploma Programme in Science Education at Secondary Level (2025-26)**

Science Education is closely related to the dynamic variation of curricular framework of School Education. Changes in teaching-learning strategies of science are so rapid that it is imperative to design short term programmes keeping in pace with all such requirements to accommodate the new realities. This is in conformity with the National Education Policy-2020 (NEP-2020), which states that, "Teachers will be given continuous opportunities for self- improvement and to learn the latest innovations and advances in their professions".

In this context, RIE, Bhubaneswar, Odisha is offering a **Diploma Programme in Science Education at Secondary Level**. The programme duration is from June, 2025 to March, 2026, with a unique blend of distance and contact mode. It is open to in-service science teachers, aspiring science teachers, persons engaged in teaching profession or interested in teaching science and science teacher educators from the Eastern region (A&N Islands, Bihar, Jharkhand, Odisha and West Bengal), Medium of instruction will be English.

Applications are invited for admission to the programme from eligible candidates.

**Eligibility Essential:** - Any Science Graduate with 55% marks in aggregate. The candidate must have studied Physics, Chemistry, Biology and Mathematics as subjects of study at Grade-12 / Class XII / Intermediate / +2 levels.
