PROCEEDINGS

This academic exercise is basically a state request programme ventilated through State Coordination Committee (SCC) meeting between Jharkhand state authorities and RIE Bhubaneswar (NCERT). The programme is funded by NCERT and coordinated by RIE Bhubaneswar for the session 2018-19 (PAC-17:10) with the Title, "DEVELOPMENT OF D.EL.ED CURRICULUM FOR THE STATE OF JHARKHAND". The programme has three objectives as follows:

- To analyse state need for developing D.El.Ed curriculum.
- Development of curriculum based on the recommendation of NCTE 2014
- Finalization of the curriculum as per the requirement of the State.

The programme is structured into four stages of activities i.e. activity 01- Needs assessment of teacher education curriculum of Jharkhand State; activity 02- workshop for first draft of the curriculum; activity 03-workshop for editing and finalization of already developed curriculum, and activity 04-report preparation. Throughout the activities the State government input is taken into consideration in the form of meeting with stakeholders, workshops wherein Resource Persons were involved from Jharkhand, feedback through emails. The details of each activity are given below.

Activity 01- Needs assessment of teacher education curriculum of Jharkhand State:

As per the requirement of the first activity, two days state visit was undertaken on **17th and 18th August, 2018** by the Coordinators. The following teacher educators attended the workshop.

21. Mr Suresh Kumar Jha, JCERT, Ranchi
22. Mr Kreetiwas Kumar, JCERT, Ranchi

The need assessment visit was planned with the objectives to find out answers to some question like:

- When was the last D.El.Ed syllabus developed?
- How was the syllabus developed? What strategies were adopted?
- What necessitated changing the syllabus then?
- Does the state has a SCF?
- What is the recruitment policy for teachers at elementary level?
- What is the linkage between SCERT and JAC and elementary teacher education institutions?
- How much weightage was given to internship?
- What are the ICT and other facilities available for the implementation?
- What is the language policy?
- Which papers need to be given emphasis?
- Whether semester process is to be initiated or not?

The meeting started with a brief introduction followed by sharing of the conception of the programme, objectives and rationale for developing a new curriculum for Jharkhand by the coordinators. The members present in the meeting shared their, pattern and component of their curriculum and other related issues.

Some basic features found with regards to 2 year B.Ed. course during this 2 days visit are highlighted below:

- The annual pattern is to be used instead of semester pattern.
- Hindi would be the medium of instruction
- State context must be incorporated in syllabus
- The pedagogy need to focus primary and upper primary learners.
- Add on courses need to focus the emerging vocations of the state
- Work and education needs to be incorporated.

Activity 02- Workshop for the development of first draft of the curriculum:

The 5 days workshop for development of the curriculum for pre-service teacher education programme at the secondary level of Jharkhand was held at RIE, Bhubaneswar during 12-16 November 2018. The workshop started in the presence of Principal and senior faculty of department of education, with their words on the trends of teacher education curriculum across the country and the need to align with the relevant policy, committee reports and the NCTE 2014 regulations for qualitative change. In addition, there was a sharing from resource persons deputed from the state of Jharkhand about the status of
