Regional Institute of Education
(National Council of Educational Research and Training)
Bhubaneswar -751022, Odisha

Institution has remote access to library resources which students and teachers use frequently. Give details of Gateway for remote access to library resources used by teachers and students in not more than 500 words.

The Institute Library has a well-set-up digital library containing a good quantity of e-resources including e-books, e-journals, databases, digitized documents (Institutional Repository), Open Education Resources (OER), and other educational documents. The library users may access to these e-resources in two ways – one by physically visiting the Institute library and another way through visiting the Institute Library Website: **https://library.riebbs.ac.in/** from anywhere.

Further, within the campus, all e-resources are accessible through static IP and login using the User ID & Password. For accessing from outside the campus users can access only by using the provided User-ID and Password (24x7). In order to make the best use of library resources with the introduction of new technological innovation, user orientation programmes are being organised on regular basis.

Library has subscribed **N-List** (https://nlist.inflibnet.ac.in/index.php) provided by INFLIBNET and **DELNET** Consortium (https://delnet.in/) which covers a wide range of various E-Journals (like AIP, IOP, Annual Reviews, JSTOR, Oxford University Press, Cambridge University Press, **H.W.Wilson,** Sage etc.), E-books (like Cambridge Book online, EBSCO Host, E-Brary, ISEAS, Taylor and Francis, World E-book, National Digital Library etc.) and other resources which can be access through library website as well as given User ID and Password remotely.
