### **Martyr's Day (Shaheed Diwas):**

Martyrs' Day or Shaheed Diwas was celebrated in RIE Bhubaneswar on January 30th to pay homage to the victims who fought for the freedom, welfare, and progress of India. The day is celebrated to remember Mahatma Gandhi on his death anniversary. The University Grants Commission (UGC) issued a circular to all universities and colleges to observe two minutes of silence on January 30th at 11:00 AM to pay tribute to the Father of the Nation.

## National Mathematics Day (26.12.2017):

National Mathematics Day was celebrated on December 26 to commemorate the birth anniversary of the Indian mathematician Srinivasa Ramanujan.

NCERT has been actively involved in promoting mathematics education in India through various initiatives such as the National Mathematics Olympiad, the National Talent Search Examination, and the National Curriculum Framework for School Education.

1. **Organize a math quiz competition:** This is a fun way to engage students and test their knowledge of mathematics. Quiz with questions from various topics such as algebra, geometry, trigonometry, and calculus were posed.
2. **Conduct a math puzzle contest:** This is another engaging activity that can be conducted on Mathematics Day. You can create puzzles that require students to use their mathematical skills to solve them.
3. **Organize a math exhibition:** RIE Bhubaneswar organized an exhibition that showcases various mathematical concepts and their applications. This can be an excellent way to promote mathematics and its importance in our daily lives.
4. **Conduct a math workshop:** Institute conducted a workshop that focuses on a create interest in mathematics.

Venue: DESM Conference Hall, RIE, Bhubaneswar Date: 07.11.2017 (Tuesday)

**National Education Day (11.11.2017)**

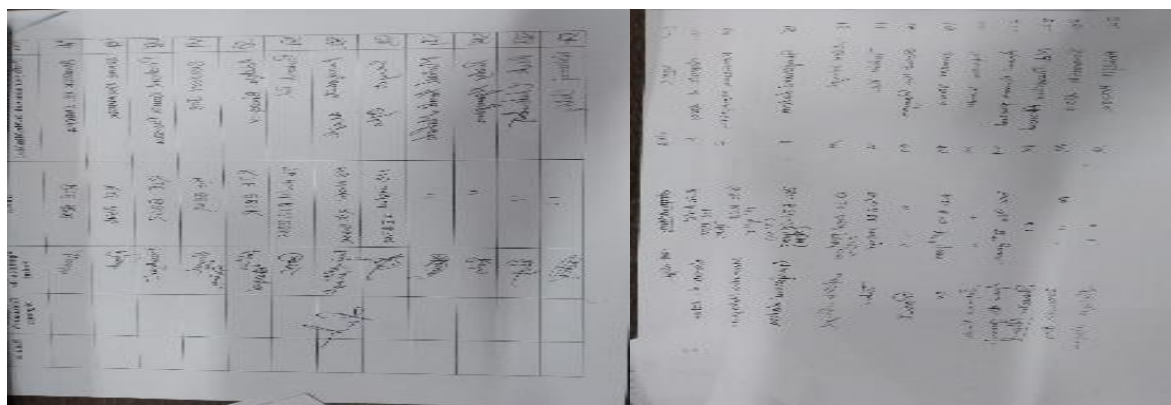

**Celebration of National Education Day on 11.11.2017**

**National Education Day** was celebrated on **November 11<sup>th</sup> 2017** to commemorate the birth anniversary of Maulana Abul Kalam Azad, the first education minister of independent India. The day is marked by various activities such as seminars, symposia, essay-writing, elocution competitions, workshops, and rallies with banner cards and slogans on the importance of literacy and the nation’s commitment to all aspects of Education.

## National Science Day (28.02.2018):

**National Science Day** was celebrated on **February 28th** every year to commemorate the discovery of the Raman effect by Indian physicist Sir C. V. Raman on February 28, 1928. The day is marked by various activities such as seminars, symposia, essay-writing, elocution competitions, workshops, and rallies with banner cards and slogans on the importance of literacy and the nation's commitment to all aspects of Education.

**International Mother Language Day** was celebrated on **February 21st 2018** to promote awareness of linguistic and cultural diversity and multilingualism. UNESCO has been celebrating International Mother Language Day for nearly 20 years with the aim of preserving linguistic diversity and promoting mother tongue-based multilingual education.

In 2018, the theme of International Mother Language Day was “Linguistic diversity and multilingualism count for sustainable development”. UNESCO invited its Member States to celebrate the day in as many languages as possible as a reminder that linguistic diversity and multilingualism are essential for sustainable development. The day was celebrated with different literary activities including recitation of poems, speech competition and dance competition.

## International Mother tongue Day (21.02.2018):

### National Unity Day (31.10.2017)

National Unity Day is celebrated in India on 31st October every year to mark the birth anniversary of Sardar Vallabhbhai Patel, who played a pivotal role in unifying the diverse princely states to form the modern Indian nation. The day was introduced by the Government of India in 2014 to promote national unity and integrity. On this day, people across India take a pledge to preserve the unity, integrity, and security of the nation. Several schools and colleges including Regional Institute of Education Bhubaneswar organized rallies and programs to commemorate the day. Several schools and colleges organize rallies and programs to commemorate the day. Activities such as **cultural events, educational programs, poster making, essay writing, speech narrating, quiz competition, painting, art-making competitions, and debates** are held to promote national unity and brotherhood.

## National Constitution Day (26.11.2017)

The day was declared as Constitution Day by the Government of India on November 19, 2015, by a gazette notification. The Prime Minister of India, Narendra Modi, made the declaration on October 11, 2015, while laying the foundation stone of the B. R. Ambedkar's Statue of Equality memorial in Mumbai. The day was previously celebrated as Law Day.

Regional Institute of Education Celebrated the day by organising different activities such as debate, dance, and essay writing competition.

## Teachers Day (05.09.2017):

Regional Institute of Education celebrated teacher's day joyfully in the New Auditorium of the institute by organising different cultural activities. The day was dedicated to all the hardworking and inspiring teachers who work restlessly to impart quality education throughout the eastern region.

## Foundation Day (05.08.2017)

Regional Institute of Education celebrated its foundation day on 05<sup>th</sup> August in New Auditorium; Where Principal P.C Agarwal graced the occasion by lightening the lamp.

Various cultural activities were organised on this day.

## Independence Day (15.08.2017):

Regional Institute of Education Bhubaneswar celebrated Independence Day with a sense of pride and joy by hoisting the national flag. Different cultural activities were performed which were dedicated to our freedom fighters and heroes. The programme inspired the young students to inculcate the values of national integration and unity among them.

### **Republic Day (26.01.2018):**

The institute celebrated the Republic day with great honour and pride by hoisting the national flag. The country is based on unity, integrity and equality, which was the guiding principle for our Constitution. Cultural programmes were conducted throughout the day.

### **International Women’s Day (08.03.2018)**

The International Women’s Day was celebrated in RIE Bhubaneswar on 08<sup>th</sup> March 2018.

International Women’s Day is celebrated annually on March 8th to recognize the social, economic, cultural, and political achievements of women around the world. The theme for International Women’s Day in 2018 was “Time is now: Rural and urban activists transforming women’s lives”.

- A Women’s Day celebration organized by the Institute in Old Auditorium which included a debate competition

### Birth Anniversary of Baba Saheb Bhimrao Ambedkar:

Ambedkar Jayanti is a day to celebrate the life and legacy of Dr. B. R. Ambedkar, who was a prominent leader of the Dalit movement and the chief architect of the Indian Constitution. He was born on 14 April 1891 and his birthday is observed as a public holiday in India. On this occasion, people across the country pay tribute to him by organizing various activities, such as:

- Seminars and cultural programs to spread his teachings and values, such as social justice, equality, democracy, and human rights.
- Book fairs and exhibitions to showcase his writings and achievements, such as drafting the Constitution, fighting for the rights of the oppressed and promoting education and women empowerment.
- Online campaigns and events to raise awareness and appreciation of his contributions, such as using hash tags, posting videos, and sharing quotes on social media platforms.

Ambedkar Jayanti is also celebrated as 'Equality Day' in India, as Dr Ambedkar struggled for equality throughout his life. Some people also demand that his birthday be recognized as International Equality Day by the United Nations<sup>2</sup>. Ambedkar Jayanti is a day to honour the man who dedicated his life to the upliftment of the downtrodden and the emancipation of the nation.

### Birth Anniversary of Subhas Chandra Bose (23.01.2018):

Subhas Chandra Bose was a great freedom fighter and leader of the Indian National Army. He was born on January 23, 1897 in Cuttack, Odisha. His birth anniversary is celebrated as Parakram Diwas, or the Day of Courage, every year in India. On this day, people pay tribute to his contributions to the nation by organizing various events, such as

- Campaigns and activities to spread his messages and quotes on social media platforms.
- Seminars, Debates and songs performance were dedicated to him.

Parakram Diwas is a day to honour the man who fought for India’s independence with courage and determination. He is remembered for his famous slogan, “Give me blood and I will give you freedom”.

### Mahatma Gandhi Jayanti (02.10.2017)

Gandhi Jayanti is celebrated every year on October 2nd to commemorate the birth anniversary of Mahatma Gandhi, who is considered to be one of the most prominent leaders of the Indian Independence movement. In 2017, the 148th birth anniversary of Mahatma Gandhi was celebrated in the Institute with great enthusiasm. Principal, RIE Bhubaneswar addressed the students on the occasion of Gandhi Jayanti and spoke about the Swachh Bharat Abhiyan (Clean India Campaign). He emphasized the importance of cleanliness and hygiene and urged insiders to take responsibility for their surroundings.

## Extension Lecturer Series

### Lecture on Ganita Sikhne aur Sikhane ki Padhati by Shri Hanuman Sahai Sharma:

The talk by Shri Sharma can be concluded as

Mathematics is a subject that has a wide range of applications in various fields. It is not only important for academic purposes but also for everyday life. According to him, there are four major steps that one can take to tackle a mathematical problem:

1. Students should solve problems after giving some time to build an idea/algorithm in mind in place of attempting it soon after reading the problem.
2. They should try to understand the problem and its context before attempting to solve it.
3. They should break down the problem into smaller parts and solve each part separately.
4. They should practice regularly to improve their mathematical skills.

Mathematics learning enhances problem-solving skills, critical thinking, and logical reasoning abilities. It improves analytical skills that can be applied in various real-life situations, such as budgeting or analysing data <sup>1</sup>. In addition, expressing mathematical ideas orally helps children to build communication skills. It can also form an important part of developing understanding of mathematical concepts and the ability to reason mathematically.

### Lecture on Ganit sikhne me Prayog sala keupyogby Shri Naggarjuna Sharma (08.11.2017):

The talk by Shri Sharma can be concluded as:

Mathematics is a subject that has a wide range of applications in various fields. It is not only important for academic purposes but also for everyday life. According to Mathigon, mathematics has countless hidden uses and applications in everyday life, such as predicting the weather, reconstructing three-dimensional images, analysing data, building bridges, designing cars, and more.

Applied mathematics is the application of mathematical methods to real-world problems with the dual goal of explaining observed phenomena and predicting new, as yet unobserved, phenomena <sup>1</sup>. Therefore, the emphasis is on both the mathematics, e.g. the development of new methods to meet the challenges of new problems, and the real world.

Here is a list of some real-life applications of mathematics that might interest you:

1. **Weather prediction:** Mathematics and supercomputers can help predict one of the most complex systems on planet Earth.
2. **Medicine:** Advanced mathematical techniques allow us to reconstruct three-dimensional images for solid objects like your head.
3. **Finance and banking:** Mathematics is used to calculate interest rates, compound interest, and other financial calculations.
4. **Computer science:** Mathematics is the foundation of computer science and is used in programming, algorithms, and data analysis.
5. **Engineering:** Mathematics is used in designing and building structures, machines, and systems.
6. **Cosmology:** Mathematics is used to understand the origin and future of the universe <sup>2</sup>.
7. **Epidemics analysis:** Equations can help us predict how the outbreak of a new disease might spread over time, and evaluate different responses.

### Lecture by Shri Jagadananda Sahoo on Clean and Healthy India (15.09.2017):

The talk could be concluded as the following major points

1. **Importance of cleanliness:** Cleanliness is essential for maintaining good health and hygiene. It helps to prevent the spread of diseases and infections. Cleanliness also has a positive impact on the environment and helps to reduce pollution <sup>2</sup>.
2. **Objectives of Swachh Bharat Abhiyan:** The Swachh Bharat Abhiyan, or Clean India Mission, is a country-wide campaign initiated by the Government of India on October 2, 2014, to eliminate open defecation and improve solid waste management and to create Open Defecation Free (ODF) villages. The program also aims to increase awareness of menstrual health management. The objectives of the first phase of the mission included eradication of manual scavenging, generating awareness and bringing about a behaviour change regarding sanitation practices, and augmentation of capacity at the local level. The second phase of the mission aims to sustain the open defecation free status and improve the management of solid and liquid waste, while also working to improve the lives of sanitation workers.
3. **Achievements of Swachh Bharat Abhiyan:** Since its launch on October 2, 2014, by Prime Minister Narendra Modi, approximately 6 crore toilets have been constructed under Swachh Bharat Abhiyan, around 300 districts, 3 lakh villages and 10 states/Union Territories have been successful in eradicating open defecation. India's total sanitation coverage today is at 76 per cent up from a mere 39 per cent in 2014. By achieving the lowest open defecation-free status in 2019, India achieved its Sustainable Development Goal (SDG) 6.2 health target in record time, eleven years ahead of the UN SDG target of 31 December 2030.
4. **Challenges faced:** The Swachh Bharat Abhiyan has faced several challenges, including lack of awareness, inadequate infrastructure, and insufficient funds. The program has also faced

criticism for being more focused on constructing toilets than on ensuring their usage and maintenance. The second phase of the mission aims to address these challenges and sustain the open defecation free status.

5. **Impact of Swachh Bharat Abhiyan:** The Swachh Bharat Abhiyan has had a significant impact on the lives of people in India. It has improved the health and hygiene of millions of people, especially women and children. The program has also created employment opportunities for people in the sanitation sector. The Swachh Bharat Abhiyan has also helped to raise awareness about the importance of cleanliness and hygiene among the general public.
6. **Future plans:** The Swachh Bharat Abhiyan is an ongoing program, and the government has several plans for the future. The second phase of the mission aims to sustain the open defecation free status and improve the management of solid and liquid waste, while also working to improve the lives of sanitation workers. The government has also launched several other initiatives, such as the Swachh Bharat Summer Internship, to engage young people in the mission.

### A talk on Mathematics and its Application by Prof. S. Padhi (17.11.2017):

Prof. S Padhi explained different alternative methods of teaching mathematics and its application in making learning instruction more useful and engaging.

### A talk on “Swami Vivekananda towards Youth” by Swami Aryananda (31.01.2018):

The inspiring discussion by Swami Aryananda laid importance on directing the youth towards greater goals of spiritual development and national integration. The learning from the discussion could foster

### A talk on Conservation of Bio-Diversity in India by Dr. S.P Parida (25.11.2017):

### The summary from the discussion could be analysed as:

India is one of the **mega diverse countries** with 2.4% of the land area and 7-8% of the species of the world, including 91,000 species of animals and 45,500 species of plants, many of which are endemic. The country has a rich ethos of biodiversity conservation and traditional knowledge systems, which have given rise to informal and localized in-situ conservation. The Government of India has taken several steps for conservation of biodiversity, which includes survey, inventions, taxonomic validation, and threat assessment of floral and faunal resources; assessment to develop an accurate database for planning and monitoring as well as conservation and protection of forests; establishment of a protected area network of National Parks, Wildlife Sanctuaries, conservation, and community reserves; designating Biosphere Reserves for conservation of representative ecosystems; undertaking of species-oriented programs, such as Project Tiger, Project Elephant, Project Dolphin; complemented with ex-situ conservation efforts.

### Field Work with Community for B.Ed-IV Semester (5.03.2018 to 11.03.2018)

The activities cover a wide range of topics, including gender equity, environment pollution, HIV-AIDS, and population education. hygiene of the community, primary education and remedial teaching, utilization of community resources for school education, educational awareness, RTE Act 2009, yoga, physical exercise, games, and sports, Sharma dana (cleaning drive), rallies on social issues, and cultural programs based on social issues and problems. To ensure the successful execution of the WWC program, a training orientation meeting takes place where all faculty members, address the trainees and clarify their queries regarding the program. Students go on a survey in the local community, they conduct awareness programs, and they display Nukkad Natak. Rally in the village, Poster and Banner display, First-aid training, and orientation on health and hygiene are a few activities that are organized. Students sensitize people on various issues of society under the guidance of the coordinator and other faculty members. In this process, they get sensitized.

### Field Work with Community for B.A.B.Ed-IV Semester (03.02.2018 to 10.02.2018)

Working with the Community for B.Sc.B.Ed. B.A B.Ed. and B.Ed: This program focused on community participation and development. Student-teachers get engaged in activities such as

conducting surveys, and awareness programs, promoting social campaigns, and contributing to community development projects. The Working with Community (WWC) Programme is an integral part of the 4-year integrated programs and B.Ed program offered by the Regional Institute of Education, Bhubaneswar.

**Community Work of B.A Bed (15.02.2018 to 22.02.2018)**

Working with the Community for B.Sc.B.Ed. B.A B.Ed. and B.Ed: This program focused on community participation and development. Student-teachers get engaged in activities such as conducting surveys, and awareness programs, promoting social campaigns, and contributing to community development projects. The Working with Community (WWC) Programme is an integral part of the 4-year integrated programs and B.Ed program offered by the Regional Institute of Education, Bhubaneswar. The programme for the academic year 2018 took place from 15th Feb 2018 to 22th feb 2018 at Chilika Govt. High School, Hatabaradihi, Chilika. This program provides pre-service teacher training and aims to acquaint trainees with the social realities of the community.

**Community Work of B.Sc. B.Ed (05.03.2018 to 11.03.2018)**

To ensure the successful execution of the WWC program, a training orientation meeting takes place where all faculty members, address the trainees and clarify their queries regarding the program. Students go on a survey in the local community, conduct awareness programs, and display Nukkad Natak. Rally in the village, Poster and Banner display, First-aid training, and orientation on health and hygiene are a few activities that are organized. Students sensitize people on various issues of society under the guidance of the coordinator and other faculty members. In this process, they get sensitized.

**Educational Field Trip of B.sc B.Ed 1<sup>st</sup> year to Bateswarand Huma(05.02.2017)**

**Educational Field trip of B.Sc.B.Ed 4<sup>th</sup> Year to Paradip Port (28.01.2017)**

**Educational Trip to Baliharchandi of B.Sc. B.Ed 1<sup>st</sup> Year students ( 17.02.2018):**

**Educational Trip to Rambha of M.Phil and M.Ed students (25.02.2018):**

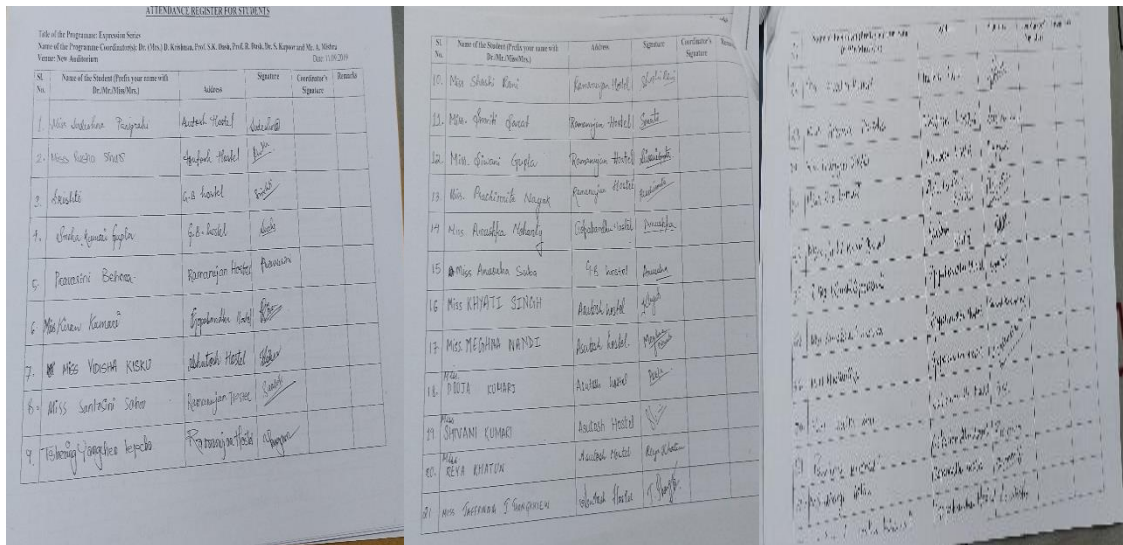

**University Level Best National Award Giving Ceremony at University Campus (NSS) Vani Vihar, Bhubaneswar (05.05.2018):**

**Swachh Bharat Summer Internship Program at RIE, Bhubaneswar(01.05.2018 to 31.05.2018):**

2019-20

### Martyrs' Day (Shaheed Diwas)

Regional Institute of Education, Bhubaneswar has celebrated Martyrs Day on 23.03.2019.

### Martyrs' Day (Shaheed Diwas)

Martyrs' Day or Shaheed Divas is also commemorated on **March 23** to remember the sacrifice of three extraordinary revolutionaries of India – **Bhagat Singh, Shivaram Rajguru, and Sukhdev Thapar**. Every year, this day is observed to pay homage to the unsung heroes of our nation and the freedom fighters who laid their lives for independent, sovereign, and liberal India. The day is recognized as a memorial to the freedom fighters who gave their lives in defense of their nation's independence.

### National Mathematics Day

Regional Institute of Education, Bhubaneswar has celebrated National Mathematics Day on 22.12.2019.

Every year RIE Bhubaneswar celebrate Mathematics day on the occasion of Srinivasa Ramanujan birth anniversary. All the faculty members are visited Ramanujan girls hostel. Mathematics is not about numbers, equations, computations, or algorithms: it is about understanding. It is observed on 22 December every year to mark the birth anniversary of legendary Indian Mathematician, Srinivasa Ramanujan. The day recognizes and celebrates his works. On this day, the genius mathematician Srinivasa Ramanujan was born in 1887 to a Tamil Brahmin Iyengar family in Erode, Tamil Nadu. Since ancient times various scholars had made significant contributions to mathematics including Aryabhata, Brahmagupta, Mahavira, Bhaskara II, Srinivasa Ramanujan, etc. At a very young age, Srinivasa Ramanujan showed signs of an unfolding genius, and his contributions regarding fractions, infinite series, number theory, mathematical analysis, etc. set an example in mathematics.

## National Education Day

Regional Institute of Education, Bhubaneswar has celebrated National Education Day on 11.11.2019.

National Education Day

National Education Day is celebrated to enhance and improve the quality of education for students in the country. The day also commemorates Azad's contribution to laying the foundation for an independent Indian education system.

### National Science Day

Regional Institute of Education, Bhubaneswar celebrated National Science Day on 28.02.2019.

### National Science Day

It was carried out during this year on 28th February 2019 along with activities to engage and inspire students with science and technology for National Science Week. On this occasion Prof.Venkata Rao, Head of Community Medicine, SOA University was the chief guest, who has done tremendous amount of work in the epidemiological study of Covid-19 and vaccine trials in ourstate. He addressed students and faculties on COVID-19 prevention and its epidemiological studies.

## National Unity Day

Celebrated National Unity Day on 31.10.2019

## National Unity Day

The day is celebrated to mark the birth anniversary of Sardar Vallabhbhai Patel who had a major role in the political integration of India. The official statement for National Unity Day by the Home Ministry of India cites that the National Unity Day "will provide an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity, and security of our country."

**Indigenous knowledge and teaching learning strategies in India (15.04.2019)**

The Indian Knowledge Systems comprising Jnan, Vignan, and Jeevan Darshan have evolved out of experience, observation, experimentation, and rigorous analysis. This tradition of validating and putting into practice has impacted our education, arts, administration, law, justice, health, manufacturing, and commerce.

## Teaching and Learning in the Changing Knowledge Society (05.08.2019)

Education plays a crucial role in the development of a knowledge society. Education is the means through which individuals acquire the knowledge, skills, and competencies necessary to participate in the knowledge economy.

**Critical Reflection on New Education Policy (07.08.2019)**

The New Education Policy of India, introduced in 2020, is a significant reform in the country's education system. It aims to address the gaps and challenges in the existing system and align it with global standards. However, a critical analysis of the policy highlights both its strengths and weaknesses.

### Literature and Critical Literacy Pedagogy (08.08.2020)

Critical Literature Pedagogy (CLP) weaves together two stances: reading with and against a text. Reading with a text includes familiar approaches of comprehending storylines, analysing literary devices, making personal connections, understanding historical contexts, and developing thematic interpretations.

## Gandhiji and Today (12.09.2019)

Gandhi played a significant role in bringing women out of their domestic work and making them self-reliant which is still relevant today. Even after so many years, Gandhiji's beliefs continue to enlighten both India and the rest of the globe. His political accomplishments gave us independence.

Regional Institute of Education, Bhubaneswar  
Notice

Dr. Das Benhur, has been invited to deliver a talk on "Gandhiji and Today" on 12.09.2019 at 03 PM in the Conference Hall of the Institute. All the staff and students of the Institute are requested to attend the programme.  
This issues with the approval of the Principal.

(Dr. Saurabh Kapoor)

## The quality improvement of teacher education in meeting challenges of the society (11.11.2019)

The Indian education system is striving to explore new and effective ways of educate its children. A universal urge to build a society on the spirit of 'Vasudhaiva Kutumbam' has accelerated the issue of 'Quality in Teacher Education'. The development of the country rests on the shoulders of teachers because they shape the youth in the classrooms of scholars and colleges. Thus, the quality of teachers is directly dependent on the quality of teacher education.

## International Mother Tongue Day 2020-2021

In the academic year 2020-21, the Regional Institute of Education (RIE) in Bhubaneswar marked a significant observance of International Mother Tongue Day. The event, chaired by Principal P.C. Agrawal, gathered a total of 45 participants to delve into the theme of the day and explore its broader significance. The occasion provided a platform for meaningful discussions about the importance of preserving and celebrating linguistic diversity, emphasizing the cultural richness embedded in mother tongues worldwide. Participants engaged in insightful conversations, reflecting on the role of language in shaping identity and fostering cross-cultural understanding.

## Celebration of Republic Day 2020-2021

Regional Institute of Education, Bhubaneswar celebrated republic day for the year 2020-2021 on 26/01/2021. On that day the national flag of India is hoisted by the honourable principal of RIE, Bhubaneswar patriotic songs are sung and the national anthem is played. Students often participate in various activities, such as cultural programmes & parade, etc.

## International Women's Day 2020-2021

In the academic session of 2020-21, the Regional Institute of Education (RIE) in Bhubaneswar commemorated International Women's Day on the 8th of March 2021 with a special event. Principal P.C. Agarwal presided over the meeting, which saw the active participation of 61 individuals. The gathering focused on discussing the theme Women in Leadership: Achieving an Equal Future in a COVID-19 world and delving into the broader significance of International Women's Day. Participants engaged in conversations that celebrated the achievements and contributions of women across various fields, while also addressing the on-going challenges and the importance of gender equality.

## Birth Anniversary of Bharat Ratna Baba Saheb Bhim Rao Ambedkar 2020-2021

On the 14th of April 2021, a significant commemoration unfolded as 35 participants gathered online to celebrate the birth anniversary of Bharat Ratna Baba Saheb Bhim Rao Ambedkar. Given the challenges posed by the on-going COVID-19 pandemic, the event was conducted in an online mode, reflecting the adaptability and resilience of communities in the face of adversity. The occasion not only marked the birth anniversary of a revered leader but also underscored the collective commitment to honouring and learning from the legacies of great personalities. The virtual celebration provided a platform for participants to reflect on Dr. B.R. Ambedkar's contributions to social justice, equality, and the framing of the Indian Constitution.

## Birth Anniversary of Subhash Chandra Bose 2020-2021

On the 23rd of January 2021, the birth anniversary of the indomitable freedom fighter Subhash Chandra Bose was commemorated with a gathering of 25 participants. Despite the global challenges posed by the COVID-19 pandemic, the event symbolized a collective commitment to honouring and celebrating the legacies of great leaders. Nevertheless, the spirit of the occasion persevered, with participants engaging in discussions and reflections on Netaji Subhash Chandra Bose's contributions to India's struggle for independence.

### National Unity Day and Vigilance Awareness Week 2020-2021

On the 31st of October 2020, National Unity Day and Vigilance Awareness Week were observed with great enthusiasm, bringing together 65 participants in a collective commitment to fostering unity and vigilance in the community. The occasion was marked by a significant pledge for Vigilance Awareness Week, signifying a shared dedication to promoting integrity and ethical conduct. As part of the event, an extension lecture was delivered by Prof. Narottam Gaan from the Indira Gandhi National Tribal University, Amarkantak. This multi-faceted observance not only celebrated national unity but also sought to instill a sense of responsibility and awareness among the participants, contributing to the collective efforts towards a vigilant and united society.

## Character Building and Holistic Personality Development 2020-2021

On the 30th of March 2021, the Regional Institute of Education (RIE) in Bhubaneswar hosted an enlightening event focused on character building and holistic personality development. The occasion featured an extension lecture delivered by Sri Atul Kothari from Saraswati Bal Mandir, New Delhi. A total of 65 participants attended the event. The lecture provided valuable insights into the significance of character building in the context of holistic personality development. Participants were engaged in discussions that explored the multifaceted aspects of nurturing character, emphasizing moral and ethical values essential for a well-rounded and resilient personality.

### Working with Community of Semester-VIII, B.A B.Ed.

The Regional Institute of Education in Bhubaneswar orchestrated an outreach initiative designed for students in their eighth semester pursuing a combined Bachelor of Arts and Bachelor of Education (B.A B.Ed.) degree. This community engagement program, conducted from February 2, 2021, to February 10, 2021, provided students with an avenue to actively participate in community activities. A notable aspect of the program involved students showcasing their talents through various street plays, known as "Nukkad Natak," thereby contributing to the community and enhancing their understanding of social issues and responsibilities.

## WWC Programme for B.Sc. B.Ed.-VIII Sem. Students

The Regional Institute of Education in Bhubaneswar conducted a Working with Community (WWC) Programme tailored for students in their eighth semester pursuing a combined Bachelor of Science and Bachelor of Education (B.Sc. B.Ed.) degree. This outreach initiative, held from February 2, 2021, to February 10, 2021, aimed to provide participating students with practical experiences and opportunities to engage actively with the community. By organizing this program during the academic year 2020-2021, the institute sought to foster a deeper understanding of community involvement and social responsibility among the B.Sc. B.Ed.-VIII Sem. Students.

## Multicultural Programme of pre-Service Teacher Educators 2020-2021

The Multicultural Programme for Pre-Service Teacher Educators conducted by the Regional Institute of Education (RIE) in Bhubaneswar, from March 8th to March 23rd, 2021 is a comprehensive and insightful outreach initiative. With active participation from 108

individuals, the program aimed at exposing them to a diverse range of schools, including urban institutions and those catering to differently-abled children. The primary objective was to cultivate critical reflection regarding school activities and the varied teaching-learning processes adopted in different cultural settings. Participants are engaged in day-to-day observations of school activities prepared comprehensive reports, observed 10 lessons delivered by regular teachers, and developed four lessons of their own. Furthermore, the initiative provided valuable opportunities for student teachers to undertake substitute teaching and delve into a case study of either a student or institute, emphasizing a holistic and practical approach to teacher education. This multifaceted program showcased RIE Bhubaneswar's commitment to preparing educators who possess a nuanced understanding of diverse educational environments.
